Conflict of Interest Form

Name: _____

A Conflict of Interest is a set of circumstances that creates a risk that your judgment or actions in your primary role as a Board Member of CIMIC will be unduly influenced by a secondary interest.

To facilitate appropriate enforcement of this policy, each member of the CIMIC Board of Directors is expected to complete this Conflict of Interest Form annually in order to document circumstances that could reasonably lead to a conflict of interest. These completed forms will be made accessible to the full Board of Directors.

Typical circumstances that may constitute a Conflict of Interest include:

- **Financial Interests** (e.g. investments, employers, clients, partners or vendors),
- **Outside Positions** (e.g. employment, boards, or volunteer roles), and,
- **Personal Relationships** (e.g. family, friendships, group affiliations).

If a reasonable person could conclude that there is a risk of any such circumstances unduly influencing your decisions as a CIMIC Board of Directors Member, then you should report them on the form below. Please note that reporting a Conflict of Interest is independent of the occurrence of impropriety. The purpose of this form is to inform your fellow Directors of any conflicting interests that may pose a risk to your judgment in order to prevent the occurrence of impropriety.

Please describe below any relationships, positions, affiliations or circumstances in which you are involved that a reasonable person could perceive as contributing to a conflict of interest in your role as a board member of CIMIC:

I hereby certify that the information set forth above is true and complete to the best of my knowledge.

I have read and agree to the CIMIC Conflict of Interest Policy. I agree to abide by the terms of the CIMIC Conflict of Interest Policy, the CIMIC Constitution, and all other CIMIC policies and procedures.
