Welcome to CIMIC!

It is our pleasure to welcome you to the Central Illinois Mosque and Islamic Center (CIMIC). Whether visiting for the first time or returning, we hope to make your visit to CIMIC enjoyable and informative.

☞ **Visit Times** The best time to visit is during our weekly congregational prayer and sermon on Fridays at 1pm. If this timing doesn't work for you, we will be happy to try to make other arrangements. Please send an email to visit@cimic.org to schedule your visit.

☞ **Arrival** We recommend using the Busey Ave. entrance to the building (from the parking lot), which also has an accessible ramp. The front entrance on Lincoln Ave. is typically locked except for during Friday congregational prayers.

☞ **Parking** The CIMIC parking lot is located on the Busey Ave. side of the building and available for use on a first-come basis. The parking lot fills up quickly on Fridays, so allow for extra time in case street parking is necessary. Please take care not to use parking spaces of neighboring residences.

☞ **Shoes** Removing shoes is customary when entering the prayer area (*musallah*). Shoe racks are available inside the foyer of the Busey Ave. entrance.

☞ **Attire** Modest attire is recommended for both men and women inside the mosque.

☞ **Pets** No pets are allowed inside the mosque.

☞ **Additional Information** Please don't hesitate to let us know if you have any questions or need clarification about anything. Email us at: visit@cimic.org

Please note: CIMIC premises are monitored through closed-circuit security cameras.

After your visit we ask that you fill out a brief [visit evaluation](#) so that we can continue to improve the experience for future visitors.

We hope you enjoy your visit. CIMIC is a community resource and we welcome all questions—so please ask about anything that is on your mind. If there is something we can do to enhance your visit, please let us know. We look forward to seeing you at CIMIC!
